Dept.; Chief Joe Rogers, Dillon County
Police Dept.; Johnnie Myers,
Investigator City Police; Jason Turner,
Investigator City Police; Dillon Co.
Solicitors Office; and Solicitor Kenard
Rebbon;

Defendants.

C/A No. 6:05-3459-GRA-WMC

ORDER
(Written Opinion)

This matter is before the Court for a review of the magistrate's Report and Recommendation made in accordance with 28 U.S.C. § 636(b)(1)(B) and Local Rule 73.02(B)(2)(d), D.S.C., and filed December 16, 2005. Plaintiff brought this suit pursuant to 42 U.S.C. § 1983. The magistrate recommends dismissing this action without prejudice and without issuance or service of process.

Plaintiff brings this claim *pro se*. This Court is required to construe *pro se* pleadings liberally. Such pleadings are held to a less stringent standard than those drafted by attorneys. *See Gordon v. Leeke*, 574 F.2d 1147, 1151 (4th Cir. 1978). This Court is charged with liberally construing a pleading filed by a *pro se* litigant to allow for the development of a potentially meritorious claim. *See Boag v. MacDougall*, 454 U.S. 364, 365 (1982).

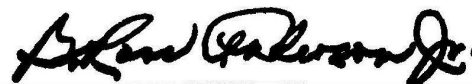

The magistrate makes only a recommendation to this Court. The recommendation has no presumptive weight, and the responsibility to make a final determination remains with this Court. *Mathews v. Weber*, 423 U.S. 261, 270-71 (1976). This Court is charged with making a *de novo* determination of those portions of the Report and Recommendation to which specific objection is made, and this Court may "accept, reject, or modify, in whole or in part, the findings or recommendations

made by the magistrate." 28 U.S.C. § 636(b)(1). This Court may also "receive further evidence or recommit the matter to the magistrate with instructions." *Id.*

Parties must file with the clerk of court specific, written objections to the Report and Recommendation, if they wish the United States District Judge to consider them. Any written objections must specifically identify the portions of the Report and Recommendation to which objections are made and the basis for such objections. FED. R. CIV. P. 72(b); *See Wright v. Collins*, 766 F.2d 841, 845-47 nn.1-3 (4th Cir. 1985); *United States v. Schronce*, 727 F.2d 91, 94 n.4 (4th Cir. 1984). "Courts have . . . held *de novo* review to be unnecessary in . . . situations when a party makes general and conclusory objections that do not direct the court to a specific error in the magistrate's proposed findings and recommendation." *Orpiano v. Johnson*, 687 F.2d 44, 47 (4th Cir. 1982). Plaintiff filed objections to the Report and Recommendation on December 28, 2005. In Plaintiff's objections, he merely restates the general facts that he alleges entitles him to relief, and identifies no specific point of error in the Report and Recommendation. Thus, Plaintiff's objections are not sufficient to require a *de novo* review of the Report and Recommendation by this Court.

After a review of the magistrate's Report and Recommendation, this Court finds the report is based upon the proper law. Accordingly, the Report and Recommendation is accepted and adopted in its entirety.

IT IS THEREFORE ORDERED that Plaintiff's case be DISMISSED without prejudice and without issuance of service or process.

G. ROSS ANDERSON, JR.
UNITED STATES DISTRICT JUDGE

Anderson, South Carolina

December 29, 2005.

NOTICE OF RIGHT TO APPEAL

Plaintiff is hereby notified that he has the right to appeal this Order within thirty (30) days from the date hereof, pursuant to Rules 3 and 4 of the Federal Rules of Appellate Procedure. Failure to meet this deadline, as modified within Rule 4, will waive the right to appeal.
